Skill Chart: Intermediate (Initiate)

How Skill Charts Work: When a student can demonstrate a skill *three* times without assistance, that skill is 'Mastered' and the student ears a Star! Earn all of your stars in order to advance to the next class level!	Clipping & Coat Care Basics	Treating Common Injuries	Basic Anatomical Terms	Bandaging The Hoof	Front Leg Standing Wraps	"Fencing" & Concise Mounting	Active Warm-Up Techniques	Girth & Stirrups @ Walk	Intermediate Half-Halt	"Vertical" Position Riding	One-Stirrup @ Posting Trot	Straightness in the Horse	Concept: Independent Seat	Riding With Good Posture	Precision Transitions	Field Riding: Walk/Light Trot	Turn On The Forehand (Halt)	Natural & Artificial Riding Aids	Breath Control Techniques	The Gaits of the Horse	Working Horse Body Language	Feeling The Direction of Intent	Warming Down: Mind & HR	Basic Equine Body Stretches	Improving Core Control
